Converts not; but surrenderers see, upon my searching me, and what finding? That they are me! They art me; not art, but who made them thusly when me perfectly they were/are? But not knowing it, seeking, settling, for dirt sitting upon the ground; that could fly/be flying with me, me flight longing for my flight'ers, who flight designed; not incarcerating, but enjoying me fullest and fuller and who abundance can even think of/conceive of? Being it, the conceiver!? I love you all.
